

Conflictclaim:

- 1. Producers will be informed by Email
- 2. Producers must solve conflicts on their own.

Case 1: Conflict has been solved because one producer has unclaimed

Case 2: Conflict has been solved because both producers have unclaimed

Case 3: Conflictclaim is still existing because neither producer (a) nor producer (b) has unclaimed.

According to SWISSPERFORM distribution rules
- SWISSPERFORM-member takes precedence over non-membership
- first claimer takes precedence over second-claimer

One producer only claims

SWISSPERFORM checks the claim

SWISSPERFORM pays compensation to one producer

No one claims anymore

SWISSPERFORM doesn't pay any compensation

SWISSPERFORM checks the claim from producer (a)

SWISSPERFORM pays compensation to producer (a)

Producer (a) has to sign a form (indemnification from third party claims)

Producer (a) only is SWISSPERFORM-Member

Both producers (a and b) are SWISSPERFORM-Members

no-one is SWISSPERFORM-Member

SWISSPERFORM informs all involved producers that SWISSPERFORM takes precedence of the producer who claimed first (first-claimer).
Producer who claimed second (second claimer) can still send supporting documents within a deadline

SWISSPERFORM will accept supporting documents from here on only.

Second-claimer hasn't sent supporting documents within a deadline of 30 days

Second-claimer has sent supporting documents within a deadline of 30 days

SWISSPERFORM forwards supporting documents to the first-claimer. First-claimer can still send supporting documents to SWISSPERFORM within a deadline.

SWISSPERFORM checks the claim of the first-claimer

SWISSPERFORM pays compensation to first-claiming-producer

According to distribution rules a commission will decide who gets the compensation
